The Goodearl Cup

Ron Goodearl - Local Freelance Press Photographer, Prints & Slides

Ron took numerous photos of Wycombe and surrounding villages over many years, specialising in showing the changes in the same location/image a considerable time later. Collections of his images (left as legacy to the "Bucks Free Press") now much valued and reproduced often in current "Bucks Free Press" "archive" articles/books & collated digitally by Mike Dewey and Library staff in their SWOP project/web (Wyc in Old Photos).
