

# Entering Your Images into the 2021 Best Bronze Image Competition

To enter your images into the Best Bronze Image Competition please follow the below steps.

**Please note** that you **CANNOT** enter images directly into The Best Bronze Image Competition as you would normally enter images into a competition using PhotoEntry.

The reason for this is that the competition has been set up to only accept those images which you have entered into the various sections of the 2021 Annual Competition.

## **STEPS to take:**

From the Competition list in “Competitions” on the Wycombe Photographic Society website:

Select:

1. Best Bronze Image Competition
2. button that shows – “Import Entries from an Existing Competition”
3. “+” sign beside “2021 Annual Competition”
4. the Section Competition/s you have entered your image/s – e.g. Wildlife or Portraits
5. your images from the relevant section one by one
  - a. your selected images will be entered into the Best Bronze Image Competition

You will need to repeat this from step 2 for each image you enter into the Best Bronze Image Competition.
